

**SHOP ON THE ISLAND AND SAVE TIME, GAS & MONEY! OUR PRICES ARE COMPARABLE TO ANY OF THE CHAINS!**

**At McQuade's Marketplace, we are dedicated to supplying our community with all their families' needs.**

**During this COVID-19 outbreak, our supply chain has been affected to include distribution centers, vendor community, farmer growers and transportation companies.**

**We want to reassure you that our team is working diligently to keep our shelves stocked as supplies permit. We have delivery trucks arriving daily and we will continue re-stocking as they arrive.**

**The supply chain will catch up to the current demand, but until we can confirm product availability, we will not be running a weekly ad. We will stay focused on keeping our store well stocked.**

**WE WOULD LIKE TO THANK EVERY CUSTOMER FOR THEIR PATIENCE DURING THESE TRYING TIMES!**

**Stay Well & Be Save**
